Veredus Corporation Again Named One of Fastest Growing Private Staffing Companies in America

Ranked Number 32 from more than 11,000 Staffing Companies

TAMPA, FL, November 11 --Veredus Corporation (“Veredus”), a Tampa, FL-headquartered technical staffing company and privately held firm, was rated Number 32 out of over 11,000 privately held staffing companies by the Staffing Industry Analysts (SIA) for its growth from 2003 to 2007. This is the second year in a row that the company has been recognized for its extraordinary growth rate by the group.

Commenting on the award, Veredus President and CEO, Dan Rodriguez said, “This is the second year in a row we have received this award. This is a credit to the excellent group of staffers we have, as well as our tremendous consultant base.” He added, “We are very proud of the fact that we have put literally thousands of people to work over the last eight years.” Veredus has grown at a rate of over 41 percent through the five year period.

The company is based in Tampa, but also has offices in Maitland, FL and Atlanta, GA and manages all types of technology staffing. Veredus stresses a quality, long term approach to staff augmentation. Many of the company’s internal staffers have been with the company since its inception.

Veredus was founded shortly before September 11 and the subsequent recession of 2001. Since then the company has experienced year over year growth of approximately 38 percent per year. The company plans to continue with an aggressive growth strategy that will take them into the markets of Raleigh/Durham, NC, Washington, DC, Chicago, IL and many additional markets.

Veredus Corporation provides highly skilled professionals for contract and permanent placement in the discipline of Information Technology. With the core values of professionalism, integrity and world-class customer service, Veredus is committed to providing the highest caliber of staffing solutions and maintaining long term relationships with both its client and candidate partners.
